Friday 2nd October 2020

Dear Parent

I hope that this letter finds you safe and well as we work towards the half term.

During this time of the year, in many cultures and religions across the world celebrate their own interpretation of “harvest”. As a result many classes and year groups have been learning about the different elements of harvest. With this in mind and with SEWA Day fast approaching I would like to present an opportunity for the wider Grimsdyke community to contribute to a dried/canned food collection that we will be holding next week.

Over the course of the week we will be placing a gazebo and table in the carpark for anyone who would like to make a voluntary contribution to our collection. In the interest of being COVID secure we will be disinfecting all donations with a special machine used by the Premises Team. These items will then be isolated before being delivered to the Harrow Food bank at the end of the week.

In these difficult and complex times an opportunity to help others is not only a worthwhile action but a satisfying one as well. I look forward to seeing the power of the “Grimsdyke Family” in supporting those in need.

Thank you in advance for your contributions to this cause.

Yours sincerely,

Mr Iain Sutherland
Headteacher

LEARNING AND ACHIEVING TOGETHER
