Sticky learning

New Knowledge

- Know the purpose of a sketchbook and how to use it to develop ideas and experiments with designs.
- Know the work of some artists, craftspeople, architects and designers, and use their work as an inspiration for own ideas
- I know how to make my own elastic band sketchbook
- I know that using certain techniques, I can achieve effects like texturing, layering, pattern and lines
- I know what the colour wheel shows and how I can use that to help me find contrasting colours.

New Skills

- *Make simple sketchbooks as a way to create ownership from offset (e.g. making elastic band sketchbooks)*
- *Explore how to create space and places within the sketchbook to help develop sketchbook approach to include collecting, making drawings on different surfaces, and on different shapes of paper.*
- *Continue to familiarise with sketchbook / drawing exercises (i.e. practise, development and introduction of new skills and techniques)*
