

Computing – Digital painting

What is digital painting?

How can we use technology to create art?

How can we paint using computers?

Using shapes and lines.

Making careful choices.

Why did I choose that?

Painting all by myself.

Comparing computer art and painting.

Artists we will take inspiration from:

Piet Mondrian

Henri Matisse

Prior Knowledge

Following on from Autumn 1 we will be logging onto the system using our year 1 username and password.

Mouse skills

Sticky Learning

New Knowledge

Know how to login using their school's online platform username and password.
To know where the letters are on the keyboard and begin typing their name.
To know how to open key applications independently and know how to save some work.
To know how to use programmes such as paint to create something digitally.

New Skills

Show an awareness of a range of devices and tools that encounter on a daily basis.
To login using their school's online platform username and password.
To independently control the mouse to select desired programmes.
To use a range of simple tools in a paint package
