- To use a mood board to help with the designing process.
- To design the image for lino printing
- To carve an image into a piece of lino
- To use ink to print my image
- To evaluate my final product

Key themes/topic overview

Lino printing

Ink

WW2 images

Sticky learning

New Knowledge

- Know how ideas translate and develop through different medium
- Know about different artistic techniques for printing
- Know different names of tools used in lino printing

New Skills

- To design a simple image to be printed
- Make suggestions about other people's work, using things you have seen or experienced yourself.
- To draw a simple image on plain paper and trace onto tracing paper
- To use a lino cutter to carve away any areas that you do not want printed
- To roll a thin layer of ink onto lino and print onto paper
- Ask questions about process, technique, idea or outcome.
- Talk to a peer or teacher about the artwork made and share what you have enjoyed during the process, and what you like about the end result.
- Discuss problems which came up and how they were solved.
