

Computing – Technology around us.

What is technology?
How does technology help us?

Technology in our classroom

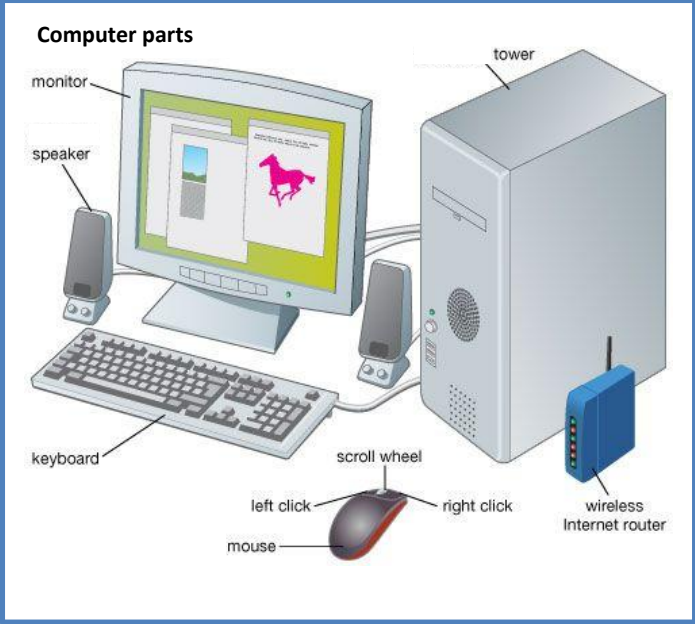

Using technology

Developing mouse skills

Using a computer keyboard

Developing keyboard skills

Using a computer responsibly

Prior Knowledge

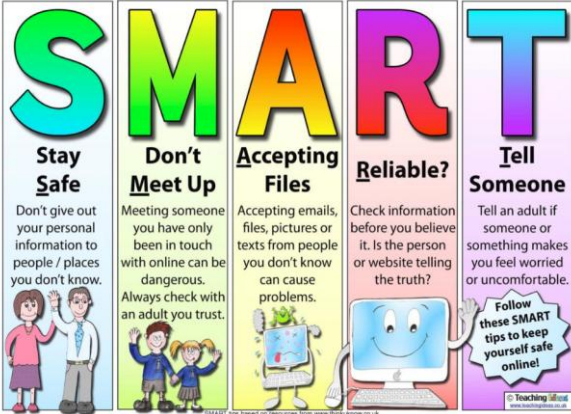

Following on from reception you will now be logging in with your google classroom login. During this topic we will build on mouse and keyboard skills as well as knowledge of technology.

Google Classroom

Technology is in everything and every lesson we teach. Highlight how technology is present and how it helps us to learn. Powerpoints, Google, Google images and Google earth are all great examples.

Sticky Learning		Vocabulary (incl. equipment)	
New Knowledge	New Skills	Previous	New
<p><i>Know in what ways the internet can be unsafe.</i></p> <p><i>Know and recognise common uses of information technology beyond school.</i></p> <p><i>Know how to login using their school's online platform username and password.</i></p> <p><i>To know where the letters are on the keyboard and begin typing their name.</i></p>	<p><i>Show an awareness of a range of devices and tools that encounter on a daily basis.</i></p> <p><i>To login using their school's online platform username and password.</i></p> <p><i>Show an awareness of different forms of information.</i></p>	<p>Mouse</p> <p>Computer</p> <p>Keyboard</p> <p>Username</p> <p>Password</p> <p>Log in</p>	<p>Technology</p> <p>Google classroom login</p> <p>Right click</p> <p>Left click</p> <p>Scroll</p> <p>Enter</p> <p>Backspace</p>

Focus on S and T
