## Helpful websites and suggested activities to support learning at home

### Year 3 (Spring Term) Theme: 'Roaring Romans'

Below, you will find a range of websites and resources that can support your child's learning at home.

#### **English:**

**Oxford Owl** – Free eBook library for children aged 3-11 year olds with activities and games to make learning more exciting. [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk)

**Pobble 365** - Please encourage your children to write for a purpose such as a diaries, letter or newspaper article. <https://www.pobble365.com/>

#### **Look, Cover, Write, Check**

<https://www.ictgames.com/mobilePage/lcw/index.html>

#### **Maths:**

**Times Table Rockstars** - Subscription based site helping to improve children's times tables knowledge through games and challenges. All children have been given a username and password to access their account. <https://ttrockstars.com/>

**Times Tables** – More systematic learning of times tables. <https://www.timestables.co.uk/>

Other ways of supporting maths outside of school include asking children to tally items when shopping, converting money or weights, telling the time and reading scales or measurements.

#### **Science:**

**Developing Experts** – A primary science website with plenty of fun games, videos and investigations.

#### **Magnets and Forces**
