Across 100: E.g 97, 98, 99, 100, 101, 102...

Blending the phonemes: Children will start to put sounds together, to make short words, such as: cat, nap, pin, tap, etc. This is called blending phonemes.

Inferences: Conclusions reached by the child based on their reasoning and from the evidence from the text.

Pairs of number bonds to 20: E.g $12 + 8$, $11 + 9$, $13 + 7$.

Phase 5: Children entering Phase 5 will already be able to read and spell words with adjacent consonants, such as trap, string and flask. They will also be able to read and spell some polysyllabic words. In Phase 5 children will learn more graphemes (a letter or letters which represent a sound) and phonemes. For example, they already know ai as in rain, but now they will be introduced to 'ay' as in day and 'a-e' as in make.

Phonemes: The shortest unit of sound, e.g 's' in 'sat'.

Phonics Screening

Children will need to go to the office if arriving after 8.45am.

Uniform

- Please label **all** uniform clearly. Biro fades quickly so please use either a permanent marker or a name sticker.

Water Bottles

- Children need to have a labelled water bottle in class every day. To avoid spillages and soaked book bags, flip top lids are best.

It is important that this bottle only has drinking water in it.

Breakfast

- Please ensure your child eats a healthy breakfast before they arrive at school. This is really important for your child concentration during morning lessons.

Morning Snack

- Children are provided with a small snack during the morning. Please do not send in your own. Milk can be ordered if you wish but please make sure your child wants it. A payment is required in Year 1.

Lunch

- Please look at the menu in advance and talk about their choices. This avoids tears and upset when faced with a meal option they were not expecting. If you want a school packed lunch/jacket potato, please order these in advance at home as these cannot be ordered on the day. Ensure your child understands the meal choice you have selected for them and that they like that meal choice. Also update any allergies/religious reasons for food choices.

Behaviour and merits

Behaviour expectations are set within the class and discussed with the children.

❖ “Merits and Commendations” are prominently displayed in all classrooms and are consistently adhered to by all staff and pupils. This system is a layered approach to acknowledge and reward positive behaviours based on the ethos / ideas of teamwork, citizenship and learning.
